EXACTLY : exchristian

Checks for calls to the mock within the SomeModule module. Note that both the Mock and Assert-MockCalled commands use the same module name.. NOTES. The parameter filter passed to Assert-MockCalled does not necessarily have to match the parameter filter (if any) which was used to create the Mock.Assert-MockCalled will find any entry in the command history which matches its parameter filter ...

Assert MockCalled pester/Pester Wiki GitHub

"Exactly" It's exactly half-past eight. That's exactly what I thought. Tell me exactly where he lives. He looks exactly like his brother. He described exactly what happened. I don't know exactly when he will arrive. I can't tell you exactly how long it will take. Getting your message across is much more important than trying to say it exactly like a native speaker would say it.

The Word "Exactly" in Example Sentences - Page 1

Alex Trebek has already signed on to continue hosting Jeopardy through at least 2022. But when the day comes for him to finally step away from the podium, Trebek has a pretty good suggestion for ...

It would take a cold, cold person to resist the charm* of Grace Lin's Ling and Ting: Not Exactly the Same. Ling and Ting are twins who are, as the title implies, similar but not completely the same.

The Roses of Success

Green New Deal = Agenda 2030. Ocasio-Cortez is just a naive poster woman for a sinister agenda about which she is ultimately clueless. She has been given an undue and exorbitant amount of media attention for a freshman congresswoman (just 1 congresswoman out of 435), not because shes intelligent or unique, but because the people really pushing this agenda own the MSM and can dictate what ...
