Spot Fleet Requests. To use a Spot Fleet, you create a Spot Fleet request that includes the target capacity, an optional On-Demand portion, one or more launch specifications for the instances, and the maximum price that you are willing to pay.

Requests in Reported Speech - Requests - English Grammar

rebuild_auth (prepared_request, response) . When being redirected we may want to strip authentication from the request to avoid leaking credentials. This method intelligently removes and reapplies authentication where possible to avoid credential loss.

Defining Request Sets (User, System Administrator, and ...

Minimize HTTP Requests. tag: content. 80% of the end-user response time is spent on the front-end. Most of this time is tied up in downloading all the components in the page: images, stylesheets, scripts, Flash, etc. Reducing the number of components in turn reduces the number of HTTP requests required to render the page.

Requests HTTP for Humans Pythonista Documentation

Requests for Research It's easy to get started in deep learning, with many resources to learn the latest techniques. But it's harder to know what problems are worth working on. We're publishing a living collection of important and fun problems to help new people enter the field, and for enthusiastic practitioners to hone their skills.
